

# Expatriate

Our Expatriate insurance solutions offer protection for Nordic based companies with employees stationed abroad. Our comprehensive benefits include medical benefits, repatriation assistance, business travel while traveling outside country of expatriation, as well as non-medical covers such as household contents and crisis packages.

We offer this insurance in cooperation with BUPA Global, a health insurance provider with 75+ years of experience in global coverage.

- Tailor-made coverage options
- Wide range of insured limits and benefits available such as coverage of household content, repatriation, baggage delay, and evacuation
- Financial protection against unexpected expenses while working abroad such as legal assistance and liability coverages
- Family members covered
- 24/7/365 emergency assistance for travelers
